

## Gentlemen of the BTC

**May 1, 2025**

Well it's May, so now it's time for golf, but our last week of bowling was exciting. Smokey's Bandits took 1st place for the second year in a row. Ascend Wealth Planning took second and close behind in third was Oak Forest Bowl. Fourth place went to That's Why We're There Tri-Star.

As usual, there were some good games bowled in the handicap. The first game went to Anthony Serritella with a 275 and Craig O'Reilly had a 268. In game two, Chuck Cahill had a 265 and Dennis Samoska, Jr. a 258. In the third game, Billy Slu had a 258 and Anthony S. a 257. In the last game pot, Slu had a 265, Anthony 257, and Cahill a 243.

The Survivor saw Slu with a 258, Roger Stewart a 253, and Randy Samoska a 236. In the doubles, we had Anthony and Guido with a 503, Heatter and O' Reilly a 503. The second game, Terry Conway and Samoska Jr. had a 515 and Conway & Ben Tutka a 503. In the third, Slu and Samoska Sr. had a 500 and Slu & R. Samoska a 494.

In the blind doubles, we had Cahill and R. Samoska with a 506. Derrick Bay and Ben Tutka with a 498 and Terry Conway & Paliga a 497. In the mystery pot, Cahill won the first one with a 194 and Mike Breier the second with a 157. It was a very good bowling season and I hope everyone enjoyed themselves. And thanks again to all the pot takers as well as Zilis, Jas, and Gary Klonowski for the Calcutta and the Brosius Doubles. And thanks again to Keith.

Now onto golf. Next Tuesday, May 6th, opening day is at Silver Lake North. It's a 10:00 am shotgun start. Dinner afterwards around 3:30. Personally, I think the North course is a little tougher than the South, but one thing I know, bogey is always a good score. 18 of them gives you an 89 on the North.

For anyone interested, Saturday 5/3/25 from 9:00 am - 2:00 pm at Water's Edge Golf Club is holding a multi-vendor Spring Demo Day and on Sunday 5/4/25 from 10:00 am - 2:00 pm at Silver Lake Country Club is their Equipment Demo day. See the latest in golf equipment and accessories on the market today.

Right now, they are predicting around 72 and sunny. Hopefully they will be close to being right. DJ's secret to golf is get the best score you can on the hole you're playing, forget about it, and do the same on the next hole. If you don't worry about score, you will do better.

Your secretary,  
DJ

P.S. Hit it straight
