Gentlemen of the BTC **October 29, 2026**

The Brewers are First Time World Series Champs. They went 11 and 2 through the playoffs. Not quite as good as the mighty '05 .

Bowling starts this coming week, and I have not practiced at all. I figure that I will give you boys a head start. More bowling news to follow later in this newsletter.

I heard rumors that we have someone stepping up for my duties at the new year. **Mike Breier** accepted the nomination to be next year's BTC Secretary. I'm sure he will improve on the task of writing this newsletter. Of course I will help anyway I can. Prior to taking on this monstrous task, I asked **Lee Kaz** if he would help me get started, he shook his head yes and said no. I think that left us both confused.

That's about all I can come up with for now. I ask you **Dave Jenner**, is that long enough? Ha.

FROM THE MEMBERSHIP COMMITTEE

We had membership meeting at Tuesday's dinner at Silver Lake and welcomed four new members to the Builders Tee Club: **Michael Tinerella, Joseph Robinson, Robert Simpson, and Robert Kaus**.

Please make these gentlemen feel welcome. We look forward to sharing plenty of golf, good company, and club activities with our newest members. Welcome aboard, fellas!

Sincerely,

Jerry Jasinski

A Picture-Perfect Finish to Our 99th Golf Season:

Tuesday at Silver Lake brought the Builders Tee Club's 2026 golf schedule—and our 99th golf season to a close. In a twist nobody would have predicted after the weather we endured this year, our final outing may have been the nicest day of the entire season. Apparently Mother Nature was saving her best for last.

The scramble finished with a tie for first place between Team 12 (Scott Lee, Jack Parisi, and Bob Connors) and Team 6 (Terry Sabatini, Phil Schlesser, and Dwight Hammond). Congratulations to both teams!

We had 90 people join us for dinner, and it was a great way to wrap things up. Several members complimented the food. I can personally vouch for the soup. I had about six or seven cups and never even made it to the buffet.

There was plenty of money handed out as we paid our winners from the Two-Man Tournament, Club Championship brackets, and World Series. **Bob Kennedy** reclaimed the gold jacket as the Builders Tee Club Champion of Champions. Congratulations to Bob and all of this year's winners!

Scott and I received a number of compliments on how the season went, and we sincerely appreciate the kind words. But we certainly didn't do it alone. A big thank you goes to our golf committee: **Jim Day**, **Jim McDermott**, **Rich Schroeder**, and **Lee Kaz**. Their time, effort, and willingness to help made a real difference throughout the season. **Tony Schlesser** also deserves special recognition. Although he isn't officially listed on the committee, he was a tremendous help to us this year.

Last, but certainly not least, thank you to all of our golfers. The weather made this our most challenging season yet, particularly when it came to completing tournament matches. We truly appreciated

everyone who contacted their opponents and made arrangements to get those matches played. Your cooperation helped us work through what was, at times, an absolute logistical nightmare.
We all lived through it, we got it done, and we finished with a beautiful day among friends. I hope everyone had as much fun this season as I did.

Thank you for being part of our 99th golf season and here's to the big 100th ahead!

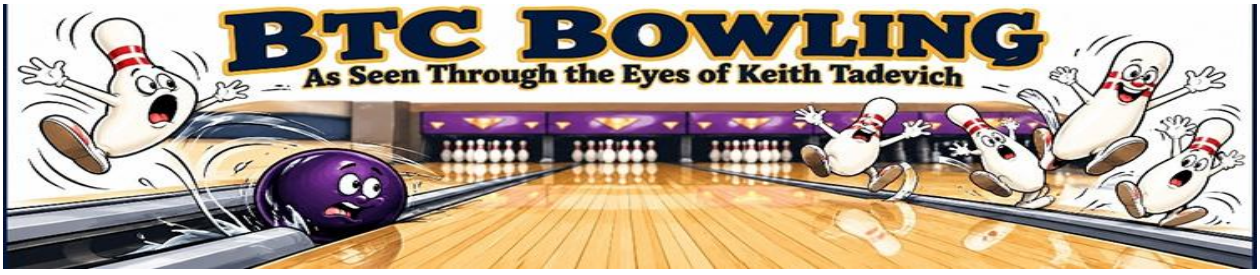

Our next golf day is May 4 at Silver Lake, with a 10:00 a.m. shotgun start kicking off our 100th golf season!

Please hold off on calling the hotline with your foursomes. We'll let you know when sign-ups open. Even the hotline deserves an offseason.

Over the next couple of weeks, Scott and Anthony will be securing dates for next year's golf schedule and working with the golf committee on improvements. Before those discussions, we'll send out a survey to get your opinions about this season and how we can improve for next year. Please take a few minutes to share your thoughts. Your feedback will help shape our centennial season.

For now, it's time to trade the golf clubs for bowling balls and tennis racquets. The golf season may be over, but the BTC keeps rolling!

It was great seeing a lot of you at the last week of golf dinner at Silver Lakes Country Club this past Tuesday. As golf comes to a close, that means bowling will be starting this coming Tuesday, November 3rd at Burr Oak Bowl located at 3030 W 127th Street in Blue Island, Illinois.

As I announced at the dinner on Tuesday, I would like to have a **Captains Meeting at 2:15 before bowling** this coming Tuesday in the lounge at Burr Oak Bowl.

After the meeting practice will start just like it did last year at 2:45pm with league competition beginning at 3:00pm. I've talked to team captains and numerous bowlers, and it looks like we'll be returning (9) 5-man teams, just like we had last season. With that said, I'm happy to report we have

picked up some new bowlers to our group this year and have plenty of room for any other members interested in helping to fill out a team or taking part in one of our team's rotations. Bowling is handicapped, just like golf, which allows for fair competition for all bowlers, regardless of skill level.

Most of our teams carry a few extra bowlers on the roster to account for weeks when team members are out of town, sick or just can't make it on a particular week. We always have a pair of lanes for extra bowlers that are not needed that day to fill out teams or do not want their scores to affect a team's wins and losses. So, if you'd like to get out of the house, come join the bowlers. You will always have a chance to bowl and hang out with your fellow Builders Tee Club members!

If you have any questions about the Builders Tee Club bowling for the upcoming 2026 – 2027 season, please do not hesitate to call or text me on my cell at 708-912-8831. I'm looking forward to a fun and exciting bowling season again this year and hope you all are as well! I hope you and your families have a Happy Halloween and I look forward to seeing you on the lanes.

Your bowling secretary,
Keith Tadevich
