Gentlemen of the BTC **Nov 12, 2026**

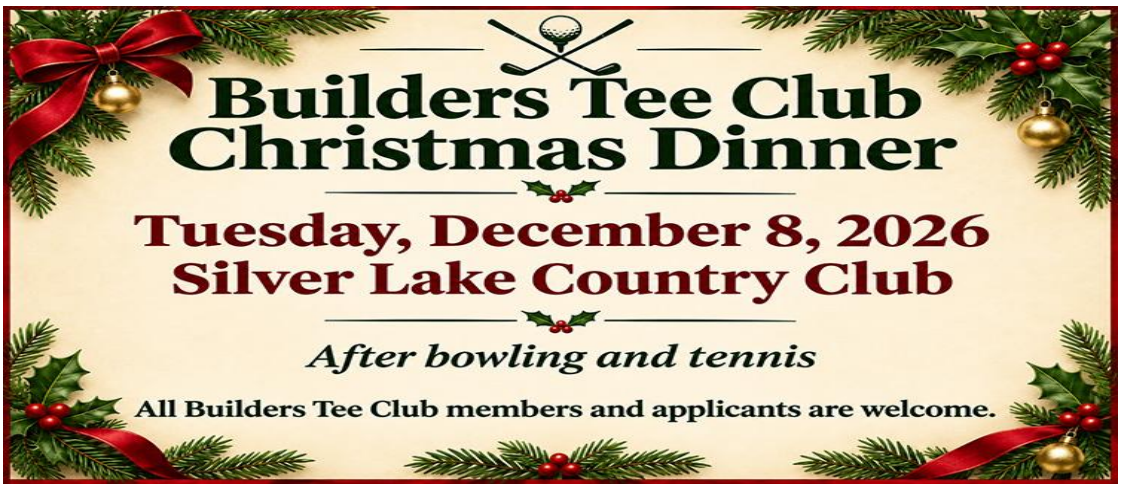

I'm a little late with this but here we go again. I can't tell you too much about bowling because I just didn't pay attention. I am sorry to say that Anthony the Great had a medical problem. We sure hope he is OK. I did hear he was in and out of the hospital pretty quick, so I assume that's good. Any bowling information will be provided by Keith later in this newsletter. That's all I have for now……MAGEE OUT!

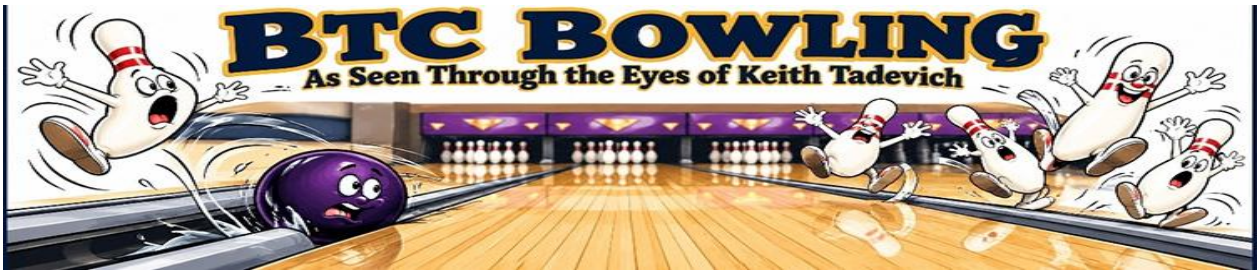

Tim Magee—BTC Secretary

Gentlemen-

Week 2 of the Builders Tee Club Bowling League is officially in the books! The lane conditions seemed a little tougher this week as scores seemed lower across the board for most of us.

As I announced at bowling this week, I will be starting the corner pin pot this week (Nov. 17). It will be $1 a ticket or 6 tickets for $5. I will pull 1 ticket with the owner of that ticket to throw one shot at a full set of pins, trying to leave only the 10-pin standing (for a right-handed bowler) or a 7 pin only standing (for a left-handed bowler). If that bowler fails to leave just that corner pin standing, the amount collected will roll-over to the following week. When it is won, I will pay out 90% of the pot with the other 10% going to help support our end of the season Calcutta Tournament.

Our top Handicapped Series scores this week were: **Derrick Bay 745, Joe Eppolito 744, Jay Skiekiewicz 743, Tom Kelly 704, Jack Brown 702, Joe Robinson 680, Dennis Samoska Jr. 677, Adam Valentinas 674.**

The best scratch bowlers this week were: **Dennis Samoska Jr. 223, 258, and a 671 series, Derrick Bay 213, 242, and a 658 series, Jay Skiekiewicz 233, 214, and a 647 series, Keith Tadevich 245, 226, and a 639 series, Jim Eppolito 229, and 226 games, Tom Kelly 230 game, Mike Seebock 228 game, Jeff Dinga 225 game, Matt Janda 224 game, Mike Loye 224 game, Jack Brwon 222 game, and Tom Ollenberger 213 game.** Full standings and results of the pots further down in the newsletter.

I have received a few more Team Sponsor Fee's this week. I thank those teams for getting it in early, as it makes my life much easier. As a reminder the fee was raised this year to $150 per team. If you need a receipt or Invoice for your Sponsor, please just let me know and I will provide one.

We are doing great regarding our individual sanction fees with most guys done with this process. Just to remind you the fee is $32.00 and this is an annual on-time fee that will cover you in all of your USBC sanctioned leagues throughout Chicagoland. If you have already paid this fee this year in another league, you just need to sign and turn in your card. These cards will be available over the next 2 weeks for those who were not here or did not fill them out yet.

This week, I will hand out a few variations of the Prize List for this season. On week 4 (December 1st) I would like to have a brief meeting, after bowling in the lounge to discuss your thoughts of changing our league to 4-man teams for next season and a quick vote regarding the proposed league prize lists. As a reminder the bowling fees are the same as last year $28.00 per week with $11.50 going toward the linage and $16.50 going directly into the league prize fund. Substitute bowlers are responsible for paying the linage amount of $11.50 for each week they bowl.

A bunch of us stuck around in the lounge after bowling and tried to name bands that have numbers in their name. It was much harder than it sounds, especially after consuming a few adult beverages!

If you have any questions or concerns regarding the Builders Tee Bowling League, please feel free to call or text me on my cell at 708-912-8331.

Your Bowling Secretary,

Keith Tadevich
